Pastors Safety Network

Dear Minister,

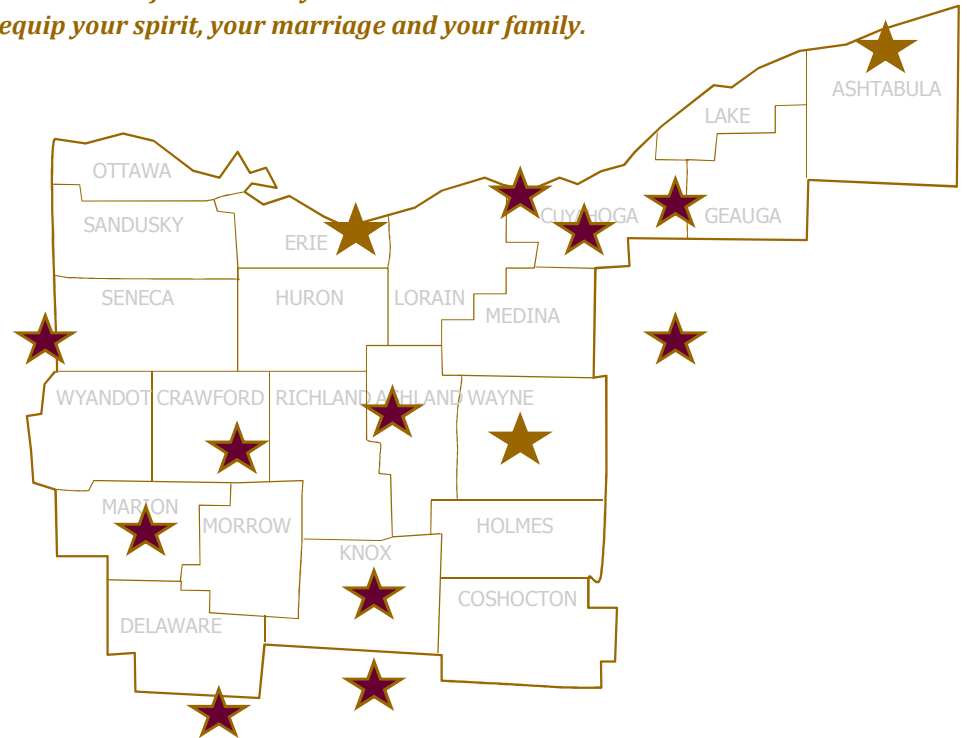

There are times in life and ministry when we feel overwhelmed and unable to cope with the pressures that exist. I have an open door policy and want to serve as your pastor. I promise to do my best to encourage you and will always pray with you and for you in any situation.

Realizing that there are times and situations where you may need and desire help beyond what friends, church, family and even the district can offer, we have developed a list of professional counselors around Ohio who are available for your personal use. In an effort to support your family, the district will provide senior pastors, pastoral staff and/or your spouse and dependent children with an initial assessment visit and follow-up visits in accordance with our contracts after insurance. If you would like to continue counseling services beyond the contract stipulations and are unable to afford them, please simply contact me so that we can extend our agreement with the counselor. All counseling services are provided anonymously. The district simply receives an invoice for Jane or John Doe. This map shows the various locations. Contact information is included on the reverse side.

We serve a great God and I'm thankful for His call in your life. Our paths are often filled with bumps and potholes that even our most intense times of personal prayer and reflection are not enough. It is my desire and that of the Advisory Board that this additional resource will help to heal and equip your spirit, your marriage and your family.

With deep concern,

Steve Ward
District Pastor
