

North Central Ohio District Discipleship Dinner

With Special Guest:

Award-Winning Family Entertainer, Illusionist & Speaker

Scott Humston has led an extraordinary life.

Overcoming a speech related birth defect to become a full time speaker and evangelist he now devotes his life to the art of educating through entertainment. Scott holds a B.A. in Communication Studies and Dramatic Art and has been awarded professional and community awards for his encouragement to people.

Touring more than 40,000 miles a year— not including flying—he’s been seen coast-to-coast and abroad—even three shows at the White House! He has over the last 25 years entertained, motivated, and inspired people of all ages. Actually, more than 3 million people have seen his live shows!

Most recently, Scott can be seen on a weekly television show called “Now You See It” on the BBC in the United Kingdom, which had 5 million viewers on it’s first episode.

Scott has a passion for the Kingdom—and through his outreach events has seen thousands come to a saving knowledge of Christ.

He and his wife Debi have been married 21 years and have four home- schooled children. Their home is in Grand Island, Florida.
