Please give a brief description of each family member's responsibilities/activities on the field:

Currently Chad is serving as the South America Regional Nazarene Compassionate Ministries Coordinator

Currently, Lindsey is studying Spanish Full time and adapting to the new culture, language, and environment.

Provide a few "Get acquainted" fact about each family member; i.e. Hobbies, favorite sports, teams, food, interests etc. Also please list some possible gift suggestions.

Get acquainted fact Lindsey: Lindsey loves to be outdoors and has been enjoying the challenge of taking walks, running, and hiking in Quito, with the increased altitude!

Get acquainted fact Chad: Chad loves to collect a small sample sand from everywhere he goes! He travels frequently and has been able to collect sand from amazing places, like a blue lagoon in Peru, beautiful beaches in Brazil, and even sand from the Amazon rain forest!

Please list some prayer requests/praises you would like our district to focus on this year.

We were married on May 12 of this year. One big prayer request for this year is for our adaptation, all around. A new culture, language, altitude, food, for Lindsey and for both of us as we adapt to living together and doing everything together after 2.5 years dating long distance.

Chad & Lindsey's Wedding registry--we plan to purchase the items we've registered for once we're settled in Quito! Items cannot be shipped to where we are moving, so we have not registered for any gift cards. We are also accepting cash and checks in addition to online cash gifts! We do have goal amounts for most items, but you are free to contribute any amount of money. We know that our registry is unconventional and we so appreciate everyone's support and understanding. Please reach out if you have any questions, we would love to hear from you! -Lindsey & Chad
