

Wholeness Sessions

WHAT IS WHOLENESS? Wholeness is applying the finished work of the cross to the everyday of our life. Finding freedom to walk unhindered in the victory that God designed for us.

WHO ARE WE? Judy Fitzpatrick and her team are from Wooster Nazarene. They help many individuals discover their value and worth as children of God and how to live from that freedom. They consider it an honor and privilege to serve Him by serving you.

WHAT IS THIS ABOUT? This is about embracing and putting into practice the truth of Jesus by exposing lies and mindsets that have held us back. It is an INDIVIDUAL time of Holy Spirit led prayer and teaching to overcome the obstacles blocking us from the abundant life that is ours as His children. By applying this truth to our heart and mind, chains break! It is strictly confidential and non-judgmental.

WHERE? Counseling Center located on the second floor of Hyson Campus Center.

WHEN? We have availabilities for Thursday, July 10, from 1-3pm and 3-5pm, and Friday, July 11 from 1-3pm and 3-5pm.

HOW DO I SCHEDULE? You may schedule at our table in the foyer. Someone will be there to assist you during certain times. It is also possible to fill out a request slip located on the Wholeness information table with your number, and you will be contacted. You may also schedule ahead by calling 330-804-0382.

We hope to see you!
