Building Leaders And Sharing Talents

## WHAT IS IT?

**B**uilding **L**eaders **A**nd **S**haring **T**alents is an event through which talents and leadership skills of youth are developed, encouraged, and used for Jesus Christ. The process begins in a local church setting, where youth are encouraged in their special gifts and abilities, continues through district BLAST festivals, and extends to the field level at MVNU June 3–6, 2026. BLAST is more than an annual event; it's a year-long emphasis on talent/leadership development at every level.
