

 SDMI Workshop with:

Dr. J.R. Briggs

For more than 15 years, J.R. served in pastoral roles in mega-churches, church plants and house church networks. Since starting Kairos Partnerships, he has served and invested in pastors and kingdom leaders in over 40 denominations throughout North America. In addition to pastors and church planters, he has also invested in a wide variety of leaders, including business owners, U.S. Olympic athletes, business owners, university administrators, non-profit directors, athletic directors, and attorneys. He co-hosts the Monday Morning Pastor, a weekly podcast created to provide space for kingdom leaders to talk about ministry and leadership in raw and hope-filled ways, and hosts the Resilient Leaders podcast, a twice-weekly podcast equipping leaders to grow in their resilience in the new reality.
