

NCO SDMI Evangelism Grants

What It Is . . .

NCO SDMI is awarding two \$1000 grants (one grant to a church of less than 100 average morning attendance and the other to a church of more than 100 average morning attendance) to help supercharge your next outreach event.

Why . . .

We believe the two most pressing needs facing churches across the North Central Ohio District are:

1. Ministry to the family (marriage, parenting, blended families, etc.)
2. Effective evangelism training

In fact, we believe it so strongly that we have put all our eggs in these two baskets so to speak. We will be providing ongoing training along these lines. In the meantime, we wanted to do something to encourage efforts already underway in the local Church.

How to Apply . . .

Your plan should include both the event as well as intentional follow up plans. We ask that 66% of the plan go toward the event with the remaining 34% used toward follow up.

Send your outreach plan to philhurlbert@sbcglobal.net. The deadline for submitting your plan is November 25, 2018. Funds must be used BEFORE May 31, 2019.

The Selection Process . . .

Your plan will be shared with the rest of our SDMI Team for review. The team will make their final decision November 26. Grants will be awarded at the District Christmas Dinner.

Criteria . . .

1 . . . 2 . . . 3

Please provide a copy of your finance plan. Keep in mind that we are asking that 2/3 of the money be used for **reach** and the other 1/3 be used for **relationship**.

Reach -- We are looking for the greatest Kingdom impact.

If awarded, you will be asked to provide a report of how you used the grant for **reach** and **relationship**. The primary purpose in requiring the report is, that we can share your ideas with other churches on the District. It would be great if you could provide a short video (hint, hint). This does not have to be professionally done. The quality you would get from a smartphone would be sufficient.
