

NCO KID'S CAMPS

Greetings NCO friends!

Our camp directors, Amanda Porter and Lindsay Westcott - Primary Camp, and Randy & Nicky Diller - Preteen Camp, are gearing up for NCO Kids Camps 2024!

[PRIMARY CAMP: Completed 1st, 2nd, 3rd - July 20-22, 2024](#)

[PRETEEN CAMP: Completed 4th, 5th, 6th - July 23-27, 2024](#)

It's our prayer that kids and adults are challenged and grow spiritually through each of our camps.

First time to Camp?

Here are a few things that you can expect to happen at camp if you have never been before.

Your child will have **Fun** at camp! Camp is carefully crafted and designed for fun. Kids can expect games, lots of water, swimming, lots of messiness, a ton of laughs, and a whole lot more!

Your child will grow **Friendships**! Whether existing or new, friends are found and grown at camp. Bunk buddies can be requested.

Your child's **Foundations** are strengthened spiritually. This is the heart of camp! Loving kids, Loving Jesus, and bringing them together! Morning and evening chapel, worship time, and time with counselors, kid's spiritual foundations are strengthened.

Your child will have **Firsts**! Be sure to engage them in asking what "Firsts" they experienced! They want to tell you and are waiting for you to ask!

Your child will have **Fellowship** with others. Fellowship embodies the idea of community and being united in one common purpose. Fellowship happens at breakfast, lunch, dinner, snack time, and the times of conversations with counselors and staff. Fellowship happens at chapel and games as kids work together.

What to bring to Camp?

Campers will **need to bring:**
